

## Changes to U.S. First-Class Mail delivery times

As a result of the ongoing pandemic related staffing shortages and increased volume of packages and mail being processed and delivered, the USPS recently revised service its service standards to achieve more timely delivery of First-Class Mail. It is estimated that 64% of First-Class Package Service will see upgrades to their delivery times but that approximately 35% of the remaining volume will result in a delivery window of up to 5 days. Please note that this may delay mail you receive from us as well as mail received by us, so please take this into account when mailing items to us via the USPS.

You may avoid lengthy mail delivery windows by enrolling your accounts in eStatements which are available for both loan and deposit accounts. You may also make payments, pay bills, deposit checks or transfer money electronically in our Online Banking Platform. If you would like to set up an auto ACH debit from your external bank account to pay your loan at Lincoln 1st or have any other questions about our online banking options, please call and speak to one of our branch representatives.

### **Lincoln Park Branch**

261 Comly Road, Lincoln Park, NJ 07035 T: 973.694.8694

### **Montville Branch**

223 Changebridge Road, Montville, NJ 07470 T: 862.777.8540
